

REMARKS

In response to the Office Action mailed April 23, 2004, Examiner requests that applicant restrict the application to either Claim 1, drawn to a sawguide assembly, classified in class 82, subclass 829 or to Claims 2-10, drawn to a method of positioning saw blade, classified in class 83, subclass 13.

Applicant hereby elects to restrict prosecution of the present application to Claims 2-10 without prejudice to a later filed continuation-in-part application based on the merits of Claim 1.

Claims 2 to 10 remain in this application. Claim 1 has been cancelled.

Examiner is respectfully requested to now pass this application to allowance.

Respectfully submitted,
COE Newnes/McGehee ULC
